For Commercial Use Only

Stainless Steel Reversible 220v Floor Model Dough Sheeter

FEATURES

- > Stainless Steel construction
- > Heavy duty usage
- > Fixed Conveyor speed
- > Manual roller adjustments
- > Preset roller thickness control
- > Foldable tables for space saving storage
- > Retractable end tables
- > Safety features

This is a 3/4 HP reversible dough sheeter. It comes with stainless steel rollers that are adjustable to support dough thickness range between 1mm and 40mm.

This sheeter is ideal for bakeries, restaurants, pizzerias, and hotels because it quickly churns out inch after inch of dough for pasta, wraps, pizza, and baked goods.
